January 2026

Dear Potential Garden City Softball Little League Sponsor,

On behalf of the GCSLL Board of Directors and the children and families we serve, thank you for taking a moment to consider being a 2026 program sponsor. We rely on the generous support of people/businesses like you to help fund regular and post season play for over 30 teams that include nearly 425 girls and a Challenger program for kids with disabilities.

Please join us in 2026 as a program sponsor. We are pleased to say 100% of your contributions are allocated to player scholarships, our Challenger division, equipment costs, umpire fees, and field/facility maintenance. We're also continuing to invest in the future of Girls Softball by partnering with Target Range, Hellgate Elementary Schools and Missoula County to develop and maintain new fields.

Our focus remains building and fostering team concepts of friendship, work ethic, leadership, and community spirit. With your help, we can continue to meet these goals and provide opportunities for our kids to play competitive softball locally, regionally, and even nationally.

The program sponsor fee for the 2026 season remains at \$400. We have included a simple form and self-addressed envelope for your convenience.

Your kind consideration and support are very much appreciated. If you have any questions, please contact me at the email address below. I would be delighted to discuss our programs further. I have included a sponsor payment flyer that you can use to submit your financial support.

Thank You
